

<b>Date</b>	<b>Hours</b>	<b>Description of the Work Done</b>
Nov 16 <sup>th</sup> , 2025	3.0	Finalized the decisions from the last meeting. Based on the feedback, we added events, made the elements clickable, and linked them to event-booking pages. We also added the All Events, Dashboard, All News, and Event Books tabs.
Nov 17 <sup>th</sup> , 2025	4.0	Re-worked on the booking summary from scratch. This time, it contains summarization before checking confirming the booking based on Priya's feedback. Updated the icons on the task bar, removed irrelevant information on the profile's statistic parts
Nov 18 <sup>th</sup> , 2025	3.0	<ul style="list-style-type: none"> <li>- Updated the Booking flow for a more intuitive process. The new flow is:</li> <li>Filtering subjects -&gt; Pick a subject, and grade level -&gt;Choose tutors -&gt; Choose time -&gt; Confirmation</li> <li>- Updated the events app, which shows the available events at the article form instead of booking</li> </ul>
Nov 20 <sup>th</sup> , 2025	3.0	Worked on the UI for the details of the events Completed the Zoom booking flow (with Zoom UI ) (for scheduling, event booking and reservation) function
Nov 21 <sup>st</sup> , 2025	1.5	<ul style="list-style-type: none"> <li>- Confirmed the changes suggested by Edward, to merge and move some parts on the screen, ajusting the navigation bar position, and make the "show all" articles for screens.</li> </ul>
Nov 22 <sup>nd</sup> ,2025	4.5	<p>Implemented the changes from Edward's suggestions:</p> <ul style="list-style-type: none"> <li>- Moved all the news articles, featured tutors, and events sections to the dashboard</li> <li>- Moved the items from the navigation bar to the appropriate order</li> <li>- Changed the navigation bar icons to match Edward's suggestions.</li> <li>- Created separate screens (3 screens) to show all articles, and events, and featured tutors</li> <li>- Updated the payment section to have a sample card, and completed the payment flow.</li> </ul>
Nov 27 <sup>th</sup> ,2025	2.5	Final meeting with Edward. We discussed more about the survey result. And making final adjustments for the project paper.
